

# SHARP

one-of-a-kind products

**A New Level Of Convenience!  
SHARP's Window Air Conditioners  
Create Peaceful Quiet Comfort.**

**AF-A18PT**

### **Semi Tropical Design**

48°C Max operating temperature design.

### **Best In Class Energy Efficiency**

This AC achieves EER (w/w) of 2.65, which is the highest in its class.

### **Best in class Aesthetics**

Made in Japan exclusive Grill design. Grill suction area/ discharge area is better than any competitor product.

### **Anti-Mold Filter**

Ensure complete hygiene in your room with specially treated filter which prevents build-up of harmful and dirty mold spores.

### **Snubber Circuit**

Snubber circuit provided in power PCB for smooth fan speed control.

### **Super Quiet Operation**

Japanese design & high-tolerance material used to produce unprecedented cooling with minimum noise.

### **Advanced Varister Protection**

Varistor is provided on power PCB for protection against power surge.

### **Super Tough & Super Safe Body**

EPS Fire Retardant material (FR) and 'burst proof capacitor' used.

### **Easy Maintenance**

Just open the front panel and easily take out the filter. The easy-to-remove panel and filter reduce dust fall and let you clean and wash conveniently and perfectly.

## Technical Specifications

MODEL NO.	AF-A18PT
STAR RATING	2
COOLING CAPACITY (Watts)	4900
POWER INPUTS (Watts)	1850
CURRENT (Amp)	7.9
EER (Watts)	2.65
SOUND LEVEL (dBA)	52
DIMENSIONS WxHxD (mm)	600x430x690
NET WEIGHT (kg)	53
MAX. OPERATING TEMP.	@ 48°C
LOW VOLTAGE STARTABILITY	@ 187 V
REFRIGERANT	R22
FEATURES	Turbo (Powerful Cooling)
	Eco Mode (Power Saver)
	Cool, Dry, Fan, Sleep & Timer
	Super Quiet Operation
	Easy Maintenance
	High Energy Efficiency
	Anti Bacterial Filter

#Applicable for the products under warranty and sold by Sharp in India

**Also available from Sharp :**  
**Normal Split AC :** 0.75T, 1T, 1.5T, 2T  
**Inverter Split AC :** 0.8T, 1.1T, 1.5T, 2T  
**Multi Split AC :** 2.75T
